

**JOURNAL OF THE HOUSE****Fifty-fifth Legislative Assembly**

\* \* \* \* \*

**Bismarck, February 10, 1997**

The House convened at 8:30 a.m., with Speaker Timm presiding.

The prayer was offered by the Rev. Henry W. Friedrich, Trinity Lutheran Church, Hope.

The roll was called and all members were present.

A quorum was declared by the Speaker.

**POINT OF PERSONAL PRIVILEGE**

**REP. BOUCHER:** Mr. Speaker: I rise on a point of personal privilege and request that my remarks be printed in the Journal, which request was granted.

On behalf of the Democrat Caucus and the North Dakota Democratic-NPL Party, I wish to express our deepest sadness for the untimely death of former speaker, Representative Clarence Martin. Representative Martin (Clarence to all of us) was a dedicated servant of the people of the 36th district and for all of North Dakota. Having been willing to serve in this chamber since 1975 is indicative of the commitment he had to the Legislature and to our state.

Today we mourn the passing of a truly honorable colleague, yet, in this time of sadness, we can rejoice in the fact that he was a friend to all of us. Our condolences go out to his wife, Viola, and to his family. And, to our friend Clarence, thank you for your hard work and your friendship. May you rest in eternal peace in the presence of God.

**POINT OF PERSONAL PRIVILEGE**

**REP. WENTZ:** Mr. Speaker: I rise on a point of personal privilege and request that my remarks be printed in the Journal, which request was granted.

Members of the Assembly: I call to your attention the bouquet of flowers on the Speaker's desk. It is in memory of our colleague and friend, Representative Clarence Martin, a kind and gentle man.

To live in the hearts of those we leave behind is not to die. Clarence will indeed live forever in the hearts of many of us here.

He was a gentleman, just, decent, and honorable; he bore no one any ill will -- ever. He was our friend and we will miss him dearly.

**MESSAGE TO THE HOUSE FROM THE SENATE (WILLIAM C. PARKER, SECRETARY)**

**MR. SPEAKER:** The Senate has passed and your favorable consideration is requested on: SB 2017, SB 2131, SB 2171, SB 2279, SB 2298, SB 2334.

Page 2, after line 2, insert:

**Information technology defined.** As used in this chapter, "information technology" means computing and data communications systems and their supporting infrastructure used in the acquisition, processing, management, analysis, storage, and delivery of information.

**Director of information technology management division.** The legislative council shall appoint a director of the information technology management division of the legislative council. The appointment of the director must be based upon qualifications of eligible persons without reference to partisan politics. The director's salary must be determined by the council and it may employ such additional persons as may be necessary to carry out the provisions of section 1 of this Act.

**Personnel - Compensation - Expenses.** The salaries, travel, and other expenses of the director of the information technology management division and other personnel within the division must be submitted, approved, and paid in the same manner as other employees of the legislative council.

**Powers and duties of the director of the information technology management division.** The director of the information technology management division shall receive reports and information technology strategic plans of all executive branch state agencies, institutions, and departments; institutions under the control of the board of higher education; and agencies of the judicial and legislative branches. The director shall study emerging technology and evaluate its impact on the state's system, advise state agencies regarding information technology, and report and make

recommendations to the legislative council and the legislative assembly regarding information technology of state government. Each state agency, institution, or department shall furnish any records and information to the director of the information technology management division that the director may request in the performance of the director's duties."

Page 3, after line 16, insert:

**"Information technology systems and projects - Auditing and monitoring.**

The information technology management division shall perform information systems reviews and audits of information technology systems or applications of executive branch state agencies, institutions, and departments; institutions under the control of the board of higher education; and agencies of the judicial and legislative branches as determined necessary by the director of the information technology management division. An information systems audit should include an evaluation of compliance with system or application requirements, data integrity, security, controls, audit trails, backup and recovery methods, and the effectiveness and appropriateness of the system in achieving its intended purpose, as applicable. The information technology management division may examine all books, papers, records, and documents in an agency, institution, or department, and may require any officer of the agency to furnish information or statements necessary to carry out provisions included in section 1 of this Act. The information technology management division shall monitor the implementation of information technology systems development projects and application development projects for conformance with the agency's strategic plan and compliance with statewide policies and standards as determined necessary by the director of the information technology management division. The information technology management division may report any nonconformance or noncompliance discovered during the auditing, reviewing, or monitoring process to the legislative council or its designated committee.

**SECTION 2.** A new section to chapter 54-44.2 of the North Dakota Century Code is created and enacted as follows:

**Information technology coordination - Report to legislative council.** The director of the information services division and the commissioner of the board of higher education shall meet at least twice each year to plan and coordinate their information technology systems and services. The director and commissioner shall consider areas in which joint or coordinated information technology systems and services may result in more efficient and effective state government operations. The director and commissioner shall report their findings and recommendations annually to the legislative council or its designated committee.

**"SECTION 1. Agricultural products utilization commission - Apportionment of research funds.**

1. The agricultural products utilization commission annually shall apportion the proceeds of the North Dakota agricultural research fund as follows:
  - a. Seventy percent to the grant committees of the North Dakota agricultural commodity groups that raise research moneys through perpetual fundraising mechanisms, provided that:
    - (1) The commodity represented accounts for at least two percent of the gross sales of all agricultural commodities grown or produced in the state;
    - (2) The percentage of the dollars available for each agricultural commodity group under this section may not exceed the percentage that the gross sales of the agricultural commodity bear to the North Dakota gross sales of all agricultural commodities grown or produced during the previous year, as determined by the agricultural statistics service; and
    - (3) The grant committee of an agricultural commodity group obtains and commits funds equal to twenty-five percent of the total amount awarded or distributed to the research project.
  - b. Eighteen percent to the grant committee representing animal agriculture.
  - c. Twelve percent to the grant committee representing new and emerging crops.
2. Any moneys not expended by a grant committee during the first year of a biennium may be reallocated by the agricultural products utilization commission to the same or to a different grant committee during the second year of the biennium.

**SECTION 2. Agricultural commodity groups - Grant committees.**

1. The governing body of each agricultural commodity group shall establish a committee to accept moneys apportioned by the agricultural products utilization commission under section 1, solicit proposals for research projects related to enhancing the impact of an agricultural commodity on the economy of this state, and distribute or award the moneys as research grants. Each committee must consist of:
  - a. Four individuals who are growers or producers and who are members of the agricultural commodity group, appointed by the commodity group's governing body;
  - b. The director of the North Dakota agricultural experiment station or the director's designee;
  - c. An individual who has a background in agricultural research and experience in the contemplated field of study, appointed by the director of the North Dakota agricultural experiment station; and
  - d. An individual who is employed in the private sector and who has a background in agricultural research, appointed by the agricultural commodity group's governing body.
2. The governing body of the agricultural commodity group shall determine the terms of office for its grant committee members and may provide for the compensation of the grant committee members and expense reimbursement at the same rate and in the same manner as provided for members of the commodity group's governing body.
3. A grant committee shall select one of the committee members to serve as chairman for the period determined by the commodity group's governing body.

**SECTION 3. Animal agriculture - Establishment of grant committee.**

1. A grant committee representing animal agriculture is established for the purpose of accepting moneys apportioned by the agricultural products utilization commission under section 1, soliciting proposals for research projects related to the study of traditional and nontraditional livestock and forage production, and distributing or awarding the moneys as research grants. The committee must consist of:
  - a. One producer appointed by the North Dakota beef commission;
  - b. One producer appointed by the North Dakota stockmen's association;
  - c. One producer appointed by the North Dakota milk producers association;
  - d. One producer appointed by the North Dakota pork producers association;
  - e. One producer appointed by the North Dakota lamb and wool producers association;
  - f. One producer appointed by the North Dakota bison producers association;
  - g. The director of the North Dakota agricultural experiment station or the director's designee;
  - h. An individual who has a background in agricultural research and experience in the contemplated field of study, appointed by the director of the North Dakota agricultural experiment station; and
  - i. An individual who is employed in the private sector and who has a background in agricultural research, appointed collectively by the governing bodies of the commodity groups identified in subdivisions a through f.
2. The appointing authorities collectively shall determine the terms of office for the grant committee members and may provide for the compensation of the grant committee members and expense reimbursement at the same rate and in the same manner as provided for members of the governing bodies of the represented commodity groups.
3. The grant committee shall select one of the committee members to serve as chairman for the period determined by the committee.

**SECTION 4. New or emerging crops - Establishment of grant committee.**

1. A grant committee representing new or emerging crops is established for the purpose of accepting moneys apportioned by the agricultural products utilization commission under section 1, soliciting proposals for research projects related to the study of new or emerging crops, and distributing or awarding the moneys as research grants. The committee must consist of:
  - a. Four individuals who are growers or producers of a new or emerging crop or who have a familiarity with new or emerging crops, appointed by the agricultural products utilization commission;
  - b. The director of the North Dakota agricultural experiment station or the director's designee;
  - c. An individual who has a background in agricultural research and experience in the contemplated field of study, appointed by the director of the North Dakota agricultural experiment station; and
  - d. An individual who is employed in the private sector and who has a background in agricultural research, appointed by the agricultural products utilization commission.

2. The agricultural products utilization commission shall determine the terms of office for the grant committee members and, using a portion of the moneys available for award or distribution to the grant committee, may provide for the compensation of the grant committee members and expense reimbursement at the same rate and in the same manner as provided for members of the agricultural products utilization commission.
3. The grant committee shall select one of the committee members to serve as chairman for the period determined by the agricultural products utilization commission.

**SECTION 5. Distribution of research grants.** Each grant committee shall distribute or award the moneys available for research grants on a competitive basis to persons affiliated with institutions of higher education or research organizations in this state or in other states for the purpose of conducting research with a view to enhancing the impact of an agricultural commodity on the economy of this state. An out-of-state grant recipient must provide matching funds in an amount equal to the research grant and must designate a person affiliated with an institution of higher education in this state or with a research organization in this state to serve as a coordinator and collaborator."
