Their victory marks the second consecutive volleyball championship for schools from Traill County and District 20, with Hillsboro winning in 2000. That success is but one of many they have achieved in statewide competition in various activities, including music, drama, debate, and athletics, as well as scholastic pursuits. STATEMENT OF PURPOSE OF AMENDMENT:

Dept. 301 - State Department of Health

Sections are removed providing for the State Department of Health to implement a quick-response unit service pilot program and appropriating \$225,000 from the health care trust fund for this program for the 2001-03 biennium. The program and the appropriation are being included in House Bill No. 1202. The name of the nursing facility nurses loan repayment program is changed to the nursing facility nurses student loan payment program and provisions of the program are changed to provide that the payments be made directly to the financial institution holding the loan rather than to the nurse and that loan payments be made equally over a four-year period rather than based on the following schedule:

Year 1	30 percent
Year 2	30 percent
Year 3	25 percent
Year 4	15 percent

The continuing appropriation for making these payments is removed and a \$200,000 appropriation from the nursing facility nurses student loan payment fund is provided for making these payments during the 2001-03 biennium. A provision is added that the department may seek Emergency Commission and Budget Section approval for additional spending authority for this program during the 2001-03 biennium. Sections 23-09.3-01.1 and 23-16-01.1 that provide for the moratoriums on the expansion of basic care or nursing facility bed capacity are changed to allow nursing facilities to convert licensure from skilled care to basic care and vice versa no more often than once every 12 months and providing that the beds being converted must be in the same block of rooms within the facility.

Dept. 325 - Department of Human Services

HOUSE - This amendment provides that the State Investment Board is responsible for the investment of moneys in the health care trust fund.

A section of legislative intent is added regarding making adequate resources available in the fund beyond the 2003-05 biennium to provide the funding necessary to continue the increased funding levels authorized by this bill.

Provisions are added directing the Legislative Council to consider studying, during the 2001-02 interim, the long-term care needs in North Dakota, and that the Department of Human Services conduct its assessment of North Dakota's long-term care needs in conjunction with the Legislative Council committee.

Appropriations changes and additions include:

- Increasing the government nursing facility funding pool payment appropriation by \$12,050,000, \$3,650,000 of which is from the general fund, to a total of \$38,750,000, \$11,650,000 of which is from the general fund and \$27,100,000 of federal funds to reflect revised Department of Human Services projections. The general fund share will be returned to the general fund within one business day of each payment being made.
- Reducing funds from the health care trust fund for loans by \$26,100,226 to a total of \$8,899,774. The \$8.9 million includes appropriation authority for funding loans approved during the 1999-2001 biennium but which will not be paid out until the 2001-03 biennium. In addition, the provisions allowing loans to be made for technology projects are removed and, as amended, loans may not be made for construction projects, only renovation projects.
- Reducing funds for nursing facility rate limit increases by \$483,457 from the health care trust fund to provide that rate limits be based on 1999 rather than 2000 cost reports. Funding of \$2,272,820 remains in the bill, \$681,846 of which is from the health care trust fund and \$1,590,974 of federal funds.
- Providing \$1,107,750, \$338,530 of which is from the health care trust fund and \$769,220 of federal funds for medical assistance grants relating to targeted case management services.
- Providing \$6,898,302 from the health care trust fund for service payments for elderly and disabled (SPED).
- Providing \$100,226 from the health care trust fund for making payments on grants approved during the 1999-2001 biennium but which will not be paid until the 2001-03 biennium.
- Providing \$150,000 from the health care trust fund for increasing senior citizen mill levy matching grants.

- Providing \$100,000 from the health care trust fund for independent living center grants.
- Providing \$71,158 from the health care trust fund for administrative costs associated with the intergovernmental transfer program.
- Providing \$8,055,347, \$3,000,000 of which is from the health care trust fund and \$5,055,347 of federal funds, for costs associated with the federal Health Insurance Portability and Accountability Act (HIPAA) or other technology projects.

After these changes, appropriations and transfers from the health care trust fund and related federal funds included in this bill are as follows:
