¹ This amendment reduces funding from the general fund for the Center for Innovation in Instruction by \$334,249, from \$934,583 to \$600,334.

² This amendment reduces funding from the general fund for the SENDIT network by \$800,000, from \$1,973,669 to \$1,173,669.

³ This amendment removes funding from the general fund of \$590,300 for information technical education program development.

⁴ This amendment removes funding from the general fund of \$200,000 for an information technology innovation fund.

⁵ This amendment provides a change in funding relating to the costs associated with connecting the statewide wide area network to school districts that contain a high school. Each school district that contains a high school will be required to provide the Information Technology Department \$2,500 per year for connection to the statewide wide area network. This will result in approximately \$1,045,000 in special funds revenues and therefore the general fund appropriation for the wide area network is reduced by \$1,045,000.

⁶ This amendment removes funding of \$321,784 from the general fund and two FTE positions associated with the implementation of the statewide wide area network.

⁷ This amendment reduces \$167,088 of funding from the general fund and removes one FTE associated with the e-government initiative.

⁸ This amendment removes funding of \$1,071,785 from the general fund and two FTE positions for the geographic information system (GIS).

⁹ This amendment removes funding of \$11,971,373, of which \$11,482,500 is from the general fund for the enterprise resource planning (ERP) project and authority for three FTE positions relating to the project.
