POINT OF PERSONAL PRIVILEGE

REP. BERG: Madam Speaker: I rise on a point of personal privilege and request that my remarks be printed in the Journal.

REQUEST

REP. BERG REQUESTED that his remarks be printed in the Journal, which request was granted.

For many legislative sessions now we have enjoyed the services of physicians who have volunteered to come to the Capitol and participate in the Doctor of the Day program. On behalf of this body, I wish to acknowledge the value of this program, and express our appreciation to those doctors who have been here during the Fifty-Eighth Legislative Assembly to provide their medical skills and timely intervention to those of us who may have been in need.

We are also especially grateful to the PrimeCare Health System and the MedCenter One Health Systems of Bismarck for offering us the two blood pressure and cholesterol screenings, to the UND School of Medicine Bismarck Family Medicine training program for the medical equipment and supplies used in the exam room, and to the pharmaceutical companies that supplied the non-prescription medications given to us at no cost. I would also like to submit, for inclusion in the Journal, a listing of the forty-nine physicians from around the state who have participated in this year's Doctor of the Day program, coordinated by the North Dakota Medical Association.

Thank you Mr. Speaker.
