

JOURNAL OF THE HOUSE**Sixty-first Legislative Assembly**

* * * * *

Bismarck, April 7, 2009

The House convened at 12:30 p.m., with Speaker Monson presiding.

The prayer was offered by Pastor Lionel Muthiah, United Methodist Church.

The roll was called and all members were present except Representatives Froelich and Schatz.

A quorum was declared by the Speaker.

POINT OF PERSONAL PRIVILEGE

REP. HUNSKOR: Mr. Speaker: I rise on a point of personal privilege.

Mr. Speaker and members of the House of Representatives, please join Rep. Glen Froseth and I in honoring the Minot State University - Bottineau Lumberjacks Ice Hockey Team.

The athletes on this team, representing four different countries, won the Men's National Junior College Athletic Association Ice Hockey Tournament in Saranac, New York. The 2009 championship was their third consecutive national title and seventh national title overall.

The Lumberjacks skated to a 4-3 semi-final victory over Monroe Community College, Rochester, New York and a 4-1 championship win over Erie Community College, Buffalo, New York.

It should be noted that MSU-Bottineau has a student enrollment of 655 while Monroe Community College and Erie Community College, respectively, have student enrollments of over 18,000 and 12,000.

Winning a third consecutive national title requires countless hours of practice and a selfless dedication to a common goal. It brings a well deserved sense of honor and pride to all North Dakotans...especially parents, teachers, coaches and supporters of these young men.

Lumberjack head coach Travis Rybchinski received the Coach of the Tournament award, Isaac Friesen was named Most Valuable Player, and Colby Rehak, Danny Urban and Joe Caruso were selected to the All Tournament Team.

Coach Rybchinski, coaches Ron Gullett and Jeremy Tweed and members of the MSU Bottineau Ice Hockey Team - the House of Representatives of the Great State of North Dakota takes pride in extending our congratulations on winning the 2009 National Junior College Ice Hockey Tournament.

Thank you Mr. Speaker and members of the House of Representatives.

- (1) The numerator is the federal adjusted gross income allocable and apportionable to this state; and
 - (2) The denominator is the federal adjusted gross income from all sources reduced by the net income from the amounts specified in subdivisions a and b of subsection 2.
- In the case of married individuals filing a joint return, if one spouse is a resident of this state for the entire year and the other spouse is a nonresident for part or all of the tax year, the tax on the joint return must be computed under this subdivision.

For this purpose, the rate applicable to each income bracket may not be changed, and the manner of applying the cost-of-living adjustment must be the same as that used for adjusting the income brackets for federal income tax purposes.

 - (2) The tax paid to the other jurisdiction multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction received while a resident of this state divided

by federal adjusted gross income derived from sources in the other states.

- j. A resident individual, estate, or trust is entitled to a credit against the tax imposed under this chapter equal to the amount of income tax paid for the taxable year to another state or territory of the United States or the District of Columbia on income derived from sources in those jurisdictions that is also subject to tax under this section. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner. For an individual, estate, or trust that is a resident of this state for the entire taxable year, the credit allowed under this subdivision may not exceed an amount equal to the tax imposed under this chapter multiplied by a ratio equal to federal adjusted gross income derived from sources in the other jurisdiction divided by total federal adjusted gross income. For an individual, estate, or trust that is a resident of this state for only part of the taxable year, the credit allowed under this subdivision may not exceed the lesser of the following:

 - d. Reduced by thirty percent of the excess of the taxpayer's net long-term capital gain for the taxable year over the net short-term capital loss for that year, as computed for purposes of the Internal Revenue Code of 1986, as amended. The adjustment provided by this subdivision is allowed only to the extent the net long-term capital gain is allocated to this state.
 - e. Increased by the amount of a lump sum distribution for which income averaging was elected under section 402 of the Internal Revenue Code of 1986 [26 U.S.C. 402], as amended. This adjustment does not apply if the taxpayer received the lump sum distribution while a nonresident of this state and the distribution is exempt from taxation by this state under federal law.

 - a. This rate applies through the tenth taxable year beginning after December 31, 2006.
 - b. For the eleventh taxable year beginning after December 31, 2006, and for each subsequent taxable year in which the taxpayer conducts qualified research in this state, the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of the base period research expenses and equal to eight percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.

3. For taxpayers that have not earned or claimed a credit under this section in taxable years beginning before January 1, 2007, and which begin conducting qualified research in North Dakota in any taxable year following the fourth taxable year beginning after December 31, 2006, the amount of the credit is equal to twenty-five percent of the first one hundred thousand dollars of the qualified research expenses for the taxable year in excess of the base period research expenses and equal to eight percent of all qualified research expenses for the taxable year more than one hundred thousand dollars in excess of the base period research expenses.
4. For purposes of this section:
 - a. "Base period research expenses" means base period research expenses as defined in section 41(c) of the Internal Revenue Code [26 U.S.C. 41(c)], except it does not include research conducted outside the state of North Dakota.
 - b. "Director" means the director of the department of commerce division of economic development and finance.
 - c. "Primary sector business" means a qualified business that through the employment of knowledge or labor adds value to a product, process, or service.
 - d. "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code [26 U.S.C. 41(d)], except it does not include research conducted outside the state of North Dakota.
 - e. "Qualified research and development company" means a taxpayer that is a primary sector business with annual gross revenues of less than seven hundred fifty thousand dollars and which has not conducted new research and development in North Dakota.
 - f. "Qualified research expenses" means qualified research expenses as defined in section 41(b) of the Internal Revenue Code [26 U.S.C. 41(b)], except it does not include expenses incurred for basic research conducted outside the state of North Dakota.
5. The credit allowed under this section for the taxable year may not exceed the liability for tax under this chapter.
6. In the case of a taxpayer that is a partner in a partnership or a member in a limited liability company, the credit allowed for the taxable year may not exceed an amount separately computed with respect to the taxpayer's interest in the trade, business, or entity equal to the amount of tax attributable to that portion of the taxpayer's taxable income which is allocable or apportionable to the taxpayer's interest in the trade, business, or entity.
7. Except as provided in subsection 1, if the amount of the credit determined under this section for any taxable year exceeds the limitation under subsection 5, the excess may be used as a research credit carryback to each of the three preceding taxable years and a research credit carryover to each of the fifteen succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried and the amount of the unused credit which may be added under this subsection may not exceed the taxpayer's liability for tax less the research credit for the taxable year.
8. A taxpayer that is certified as a qualified research and development company by the director may elect to sell, transfer, or assign all or part of the unused tax credit earned under this section. The director shall certify whether a taxpayer that has requested to become a qualified research and development company meets the requirements of subsection 4. The director shall establish the necessary forms and procedures for certifying qualifying research and development companies. The director shall issue

a certification letter to the taxpayer and the tax commissioner. A tax credit can be sold, transferred, or assigned subject to the following:

- a. A taxpayer's total credit assignment under this section may not exceed one hundred thousand dollars over any combination of taxable years.
 - b. If the taxpayer elects to assign or transfer an excess credit under this subsection, the tax credit transferor and the tax credit purchaser jointly shall file with the tax commissioner a copy of the purchase agreement and a statement containing the names, addresses, and taxpayer identification numbers of the parties to the transfer, the amount of the credit being transferred, the gross proceeds received by the transferor, and the taxable year or years for which the credit may be claimed. The taxpayer and the purchaser also shall file a document allowing the tax commissioner to disclose tax information to either party for the purpose of verifying the correctness of the transferred tax credit. The purchase agreement, supporting statement, and waiver must be filed within thirty days after the date the purchase agreement is fully executed.
 - c. The purchaser of the tax credit shall claim the credit beginning with the taxable year in which the credit purchase agreement was fully executed by the parties. A purchaser of a tax credit under this section has only such rights to claim and use the credit under the terms that would have applied to the tax credit transferor, except the credit purchaser may not carry back the credit as otherwise provided in this section. This subsection does not limit the ability of the tax credit purchaser to reduce the tax liability of the purchaser, regardless of the actual tax liability of the tax credit transferor.
 - d. The original purchaser of the tax credit may not sell, assign, or otherwise transfer the credit purchased under this section.
 - e. If the amount of the credit available under this section is changed as a result of an amended return filed by the transferor, or as the result of an audit conducted by the internal revenue service or the tax commissioner, the transferor shall report to the purchaser the adjusted credit amount within thirty days of the amended return or within thirty days of the final determination made by the internal revenue service or the tax commissioner. The tax credit purchaser shall file amended returns reporting the additional tax due or claiming a refund as provided in section 57-38-38 or 57-38-40, and the tax commissioner may audit these returns and assess or issue refunds, even though other time periods prescribed in these sections may have expired for the purchaser.
 - f. Gross proceeds received by the tax credit transferor must be assigned to North Dakota. The amount assigned under this subsection cannot be reduced by the taxpayer's income apportioned to North Dakota or any North Dakota net operating loss of the taxpayer.
 - g. The tax commissioner has four years after the date of the credit assignment to audit the returns of the credit transferor and the purchaser to verify the correctness of the amount of the transferred credit and if necessary assess the credit purchaser if additional tax is found due. This subdivision does not limit or restrict any other time period prescribed in this chapter for the assessment of tax.
 - h. The tax commissioner may adopt rules to permit verification of the validity and timeliness of the transferred tax credit.
9. If a taxpayer acquires or disposes of the major portion of a trade or business or the major portion of a separate unit of a trade or business in a transaction with another taxpayer, the taxpayer's qualified research expenses and base period must be adjusted in the manner provided by section 41(f)(3) of the Internal Revenue Code [26 U.S.C. 41(f)(3)].
 10. If a taxpayer entitled to the credit provided by this section is a member of a group of corporations filing a North Dakota consolidated tax return using

the combined reporting method, the credit may be claimed against the aggregate North Dakota tax liability of all the corporations included in the North Dakota consolidated return. This section does not apply to tax credits received or purchased under subsection 8.

11. An individual, estate, or trust that purchases a credit under this section is entitled to claim the credit against state income tax liability under section ~~57-38-29~~ or 57-38-30.3.

The amount of the allowable credit must be determined at the passthrough entity level. The total credit determined at the entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the passthrough entity. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this chapter. The amount of the total credit determined at the angel fund level must be allowed to the investors in the angel fund in proportion to the investor's respective interests in the fund.
