

April 1, 2013

PROPOSED AMENDMENTS TO ENGROSSED SENATE BILL NO. 2131

Page 3, line 8, after "2." insert "Genetic testing may be provided by a licensed genetic counselor only when ordered by a North Dakota licensed health care provider acting within the provider's scope of practice and privileged to do so. The referring or primary provider shall maintain supervision of patient care and the licensed genetic counselor shall provide reports to the referring or primary health care provider ordering such testing.

3."

Renumber accordingly
