2 relating to a Bank of North Dakota medical facility infrastructure loan program; to amend and  
3 reenact section 6-09-47 of the North Dakota Century Code, relating to the medical facility  
4 infrastructure loan program; to provide for transfer; ~~and~~ to provide an appropriation; to provide a  
5 continuing appropriation; to provide an effective date; and to provide an expiration date.

6 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

7 **SECTION 1.** Section 6-09-47 of the North Dakota Century Code is created and enacted as  
8 follows:

9 **6-09-47. Medical facility infrastructure loan program - Continuing appropriation -**  
10 **Audit and costs of administration.**

- 11 1. The Bank shall administer a loan program to provide loans to medical facilities to  
12 conduct construction that improves the health care infrastructure in the state or  
13 improves access to existing nonprofit health care providers in the state. The  
14 construction project may include land purchases and may include purchase, lease,  
15 erection, or improvement of any structure or facility to the extent the governing board  
16 of the health care facility has the authority to authorize such activity.
- 17 2. In order to be eligible under this loan program, the applicant must be the governing  
18 board of the health care facility which shall submit an application to the Bank. The  
19 application must:
- 20 a. Detail the proposed construction project, which must be a project of at least one  
21 million dollars and which is expected to be utilized for at least thirty years;  
22 b. Demonstrate the need and long-term viability of the construction project; and  
23 c. Include financial information as the Bank may determine appropriate to determine  
24 eligibility, such as whether there are alternative financing methods.

- 1       3. The governor shall establish a task force to review loan applications under this section  
2       and to make recommendations to the Bank on the loan applications. The task force  
3       must include representation of medical providers and medical facilities from the oil  
4       producing counties in the state. The task force shall work with the Bank to establish  
5       criteria for eligibility for a loan under the program. The criteria established by the task  
6       force and the Bank must give priority to applicants that are located in oil producing  
7       counties and to applicants that are prospective payment system hospitals that receive  
8       trauma patients from oil producing counties.
- 9       4. A loan provided under this section:
- 10       a. May not exceed the lesser of twenty million dollars or seventy-five percent of the  
11       actual cost of the project;
- 12       b. Must have an interest rate equal to one percent; and
- 13       c. Must provide a repayment schedule of no longer than twenty-five years.
- 14       5. A recipient of a loan under this section shall complete the financed construction project  
15       within twenty-four months of approval of the loan. Failure to comply with this  
16       subsection may result in forfeiture of the entire loan received under this section.
- 17       6. The medical facility infrastructure fund is a special fund in the state treasury. All  
18       moneys in the medical facility infrastructure fund are appropriated to the Bank on a  
19       continuing basis for the purpose of providing loans under this section. Interest on  
20       moneys in the fund must be credited to the strategic investment and improvements  
21       fund in the state treasury.
- 22       7. Funds in the medical facility infrastructure fund may be used for loans as provided  
23       under this section and to pay the costs of administration of the fund. Annually, the  
24       Bank may deduct a service fee for administering the medical facility infrastructure fund  
25       maintained under this section.
- 26       8. The industrial commission is responsible for contracting with a certified public  
27       accounting firm to audit the medical facility infrastructure fund as necessary. The cost  
28       of the audit and any other actual costs incurred by the Bank on behalf of the fund must  
29       be paid from the fund.

30       **SECTION 2. AMENDMENT.** Section 6-09-47 of the North Dakota Century Code is amended
