19 program that are subject to a copyright or a patent and any formula, pattern,
20 compilation, program, device, method, technique, or process supplied to a
21 public entity that is the subject of efforts by the supplying person to maintain
22 its secrecy and that may derive independent economic value, actual or
23 potential, from not being generally known to, and not being readily
24 ascertainable by proper means by, other persons that might obtain
25 economic value from its disclosure or use.
- 26 (8) A discovery or innovation that is subject to a patent or a copyright, and any
27 formula, pattern, compilation, program, device, combination of devices,
28 method, technique, technical know-how or process that is for use, or is
29 used, in the operation of a business and is supplied to or prepared by a
30 public entity that is the subject of efforts by the supplying or preparing
31 person to maintain its secrecy and provides the preparing person an

- 1 advantage or an opportunity to obtain an advantage over those who do not
2 know or use it or that may derive independent economic value, actual or
3 potential, from not being generally known to, and not being readily
4 ascertainable by proper means by, a person that might obtain economic
5 value from its disclosure or use.
- 6 d. "Trade secret" means information, including a formula, pattern, compilation,
7 program, device, method, technique, technical know-how, or process, that:
- 8 (1) Derives independent economic value, actual or potential, from not being
9 generally known to, and not being readily ascertainable by proper means by,
10 other persons that can obtain economic value from its disclosure or use;
11 and
