14 **SECTION 1. AMENDMENT.** Section 11-23-01 of the North Dakota Century Code is
15 amended and reenacted as follows:

16 **11-23-01. Officers required to furnish commissioners with departmental budget.**

17 1. Every officer in charge of any institution, office, or undertaking supported wholly or in
18 part by the county shall file with the board of county commissioners a departmental
19 budget that is prescribed by the state auditor. The departmental budget must include
20 an itemized statement of the estimated amount of money that will be required for the
21 maintenance, operation, or improvement of the institution, office, or undertaking for the
22 ensuing year. The board of county commissioners may require additional information
23 to clarify the departmental budget.

- 1 2. a. The departmental budget submitted by the county social service board in 2015
2 for the 2016 budget may not exceed an amount determined using the
3 departmental budget submitted in 2014 by the county social service board as a
4 starting point, subtracting the reduction in the county's social service funding
5 responsibility for 2014 derived from transferring the county social service costs
6 identified in this subdivision from the county social service board to the
7 department of human services, and applying to the resulting amount the
8 percentage salary and benefits increase provided by legislative appropriations for
9 state employees for taxable year 2015. For purposes of this subdivision, the
10 reduction in the county's social service funding responsibility derived from
11 transferring the county social service costs identified in this subdivision from the
12 county social service board to the department of human services includes the
13 following:
- 14 (1) Foster care and subsidized adoption costs that would have been paid by the
15 county after December 31, 2015;
- 16 (2) The county's share of grant costs for medical assistance in the form of
17 payments for care furnished to recipients of therapeutic foster care services
18 which would have been paid by the county after December 31, 2015;
- 19 (3) The county's share of the costs for service payments to the elderly and
20 disabled which would have been paid by the county after December 15,
21 2015;
- 22 (4) The county's share of salary and benefits for family preservation services
23 pursuant to section 50-06-05.8 which would have been paid by the county
24 after December 31, 2015;
- 25 (5) The county's share of the cost of the electronic benefits transfers for the
26 supplemental nutrition assistance program which would have been paid by
27 the county after December 31, 2015; and
- 28 (6) The computer processing costs which would have been paid by the county
29 after December 31, 2015, which exceed the county's costs of operation of
30 the technical eligibility computer system in calendar year 1995 increased by

1 the increase in the consumer price index for all urban consumers (all items,
2 United States city average) after January 1, 1996.

3 b. The departmental budget submitted by the county social service board in 2016
4 for the 2017 budget may not exceed an amount determined using the 2015
5 departmental budget as a starting point and applying to that amount the
6 percentage salary and benefits increase provided by legislative appropriations for
7 state employees for 2016.

8 c. The budget must include a statement identifying the total savings to the county
9 as shown by a reduction in the amounts that otherwise would have been paid by
10 the county to the department of human services for the costs identified in
11 subdivision a. The department of human services shall determine the appropriate
12 amount of what each county's costs would have been to help identify each
13 county's total savings.

14 The county share of the human service budget must be funded entirely from
15 the county's property tax levy for that purpose and the county may not use funds
16 from any other source to supplement the human services budget, with the
17 exception that the county may make use of the identifiable amount of other
18 sources the county has used to supplement its human services budget for 2015
19 and the county may use grant funds that may be available to the county under
20 section 50-06-20.1.

21 d. The department of human services shall develop a process to review a request
22 from a county social service board for any proposed increase in staff needed as a
23 result of significantly increased caseloads for state-funded human services
24 programs, if the increase in staff would result in the county exceeding the budget
25 limitation established under this subsection. As part of its review process, the
26 department shall review countywide caseload information and consider the option
27 of multicounty sharing of staff. If the department approves a request for a
28 proposed increase in staff, the county budget limitation established under
29 subdivision b may be increased by the amount determined necessary by the
30 department to fund the approved additional staff.
