RE: Senate Bill 2003

Dear President Wrigley:

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have vetoed Section 6 and Section 8 of Senate Bill 2003.

Section 6 requires a district court to pay the expenses incurred by an expert witness, including a witness from the state crime laboratory. The section also tends to encourage witnesses to testify via interactive video by exempting district courts from any costs associated with their testimony in this situation. Section 6 is vetoed because the district courts did not receive funding for this purpose from either the Executive Budget or through legislative appropriations. Additionally, the language was never presented to the appropriations committees in either the House or Senate when they considered the proposed budget for the judicial system.

Further, it is doubtful that witnesses would be able to take meaningful advantage of the cost-saving opportunity for interactive video testimony because North Dakota Supreme Court Administrative Rule 52(4)(B)(2) provides "A witness may not testify by reliable electronic means unless the defendant knowingly and voluntarily waives the right to have the witness testify in person."

It is also questionable whether it is appropriate for the district court to pay the costs of expert witnesses. In addition, section 6 contains an incorrect reference to North Dakota Century Code section 44-04-04, which pertains to "Aliens convicted of felony or adjudged mentally ill."

I have also vetoed Section 8 of this legislation. Managing the volume of work and available staff time required to respond to requests for Attorney General Opinions must remain a management decision made at the discretion of the Attorney General. The proposed timeline for producing opinions increases the likelihood that an excessive volume of requests could make it impossible to effectively prioritize the use of staff and resources.

For these reasons, I have vetoed section 6 and 8 of Senate Bill 2003.

Sincerely,

Jack Dalrymple
Governor

RE: Senate Bill 2015

Dear President Wrigley:

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have vetoed Section 24 of Senate Bill 2015.

Section 24 is vetoed because the new language serves no constructive purpose and is an excessive requirement on the human resources management of the university system. Any new chancellor, when entering office for the first time, has the authority to remove vice-chancellors and hire replacements at their discretion, because the vice-chancellors are not "classified" employees. To require vice-chancellors to resign is likely detrimental to the effective operation of the university system during a period of transition and could have a negative effect on the education of our students. Therefore, section 24 of Senate Bill 2015 is vetoed.

Sincerely,

Jack Dalrymple
Governor

RE: Senate Bill 2039

Dear President Wrigley:

Pursuant to Article V, Section 9 of the North Dakota Constitution, I have vetoed subsection 1(c) of Section 6 of Senate Bill 2039.

This subsection would require that the income, including interest payments on loans from the coal development trust fund, as authorized in North Dakota Century Code 57-62-02, be made part of the School Construction Assistance Loan Fund. This language conflicts with the North Dakota Constitution, Article X, Section 21, which requires that "the interest earned on the moneys in said fund shall be used first to replace uncollectable loans made from the fund, and the balance shall be credited to the general fund of the state." I have vetoed this section because the language clearly conflicts with the constitution.

Therefore, subsection 1(c) of section 6 of Senate Bill 2039 is vetoed.

Sincerely,

Jack Dalrymple
Governor
