20 **11-23-01. Officers required to furnish commissioners with departmental budget.**

21 4. Every officer in charge of any institution, office, or undertaking supported wholly or in
22 part by the county shall file with the board of county commissioners a departmental budget that
23 is prescribed by the state auditor. The departmental budget must include an itemized statement
24 of the estimated amount of money that will be required for the maintenance, operation, or

1 improvement of the institution, office, or undertaking for the ensuing year. The board of county
2 commissioners may require additional information to clarify the departmental budget.

3 2. a. ~~The departmental budget submitted by the county social service board in 2015-~~
4 ~~for the 2016 budget may not exceed an amount determined using the~~
5 ~~departmental budget submitted in 2014 by the county social service board as a~~
6 ~~starting point, subtracting the reduction in the county's social service funding~~
7 ~~responsibility for 2014 derived from transferring the county social service costs~~
8 ~~identified in this subdivision from the county social service board to the~~
9 ~~department of human services, and applying to the resulting amount the~~
10 ~~percentage salary and benefits increase provided by legislative appropriations for~~
11 ~~state employees for taxable year 2015. For purposes of this subdivision, the~~
12 ~~reduction in the county's social service funding responsibility derived from~~
13 ~~transferring the county social service costs identified in this subdivision from the~~
14 ~~county social service board to the department of human services includes the~~
15 ~~following:~~

- 16 (1) ~~Foster care and subsidized adoption costs that would have been paid by the~~
17 ~~county after December 31, 2015;~~
- 18 (2) ~~The county's share of grant costs for medical assistance in the form of~~
19 ~~payments for care furnished to recipients of therapeutic foster care services~~
20 ~~which would have been paid by the county after December 31, 2015;~~
- 21 (3) ~~The county's share of the costs for service payments to the elderly and~~
22 ~~disabled which would have been paid by the county after December 15,~~
23 ~~2015;~~
- 24 (4) ~~The county's share of salary and benefits for family preservation services~~
25 ~~pursuant to section 50-06-05.8 which would have been paid by the county~~
26 ~~after December 31, 2015;~~
- 27 (5) ~~The county's share of the cost of the electronic benefits transfers for the~~
28 ~~supplemental nutrition assistance program which would have been paid by~~
29 ~~the county after December 31, 2015; and~~
- 30 (6) ~~The computer processing costs which would have been paid by the county~~
31 ~~after December 31, 2015, which exceed the county's costs of operation of~~

1 the technical-eligibility computer system in calendar year 1995 increased by
2 the increase in the consumer price index for all urban consumers (all items,
3 United States city average) after January 1, 1996.

4 b. The departmental budget submitted by the county social service board in 2016
5 for the 2017 budget may not exceed an amount determined using the 2015
6 departmental budget as a starting point and applying to that amount the
7 percentage salary and benefits increase provided by legislative appropriations for
8 state employees for 2016.

9 e. The budget must include a statement identifying the total savings to the county
10 as shown by a reduction in the amounts that otherwise would have been paid by
11 the county to the department of human services for the costs identified in
12 subdivision a. The department of human services shall determine the appropriate
13 amount of what each county's costs would have been to help identify each
14 county's total savings.

15 The county share of the human service budget must be funded entirely from
16 the county's property tax levy for that purpose and the county may not use funds
17 from any other source to supplement the human services budget, with the
18 exception that the county may make use of the identifiable amount of other
19 sources the county has used to supplement its human services budget for 2015
20 and the county may use grant funds that may be available to the county under
21 section 50-06-20.1.

22 d. The department of human services shall develop a process to review a request
23 from a county social service board for any proposed increase in staff needed as a
24 result of significantly increased caseloads for state-funded human services
25 programs, if the increase in staff would result in the county exceeding the budget
26 limitation established under this subsection. As part of its review process, the
27 department shall review countywide caseload information and consider the option
28 of multicounty sharing of staff. If the department approves a request for a
29 proposed increase in staff, the county budget limitation established under
30 subdivision b may be increased by the amount determined necessary by the
31 department to fund the approved additional staff.

10 to clarify the departmental budget.

11 2. a. The departmental budget submitted by the county social service board in

11 United States city average) after January 1, 1996.

- 12 ~~b. The departmental budget submitted by the county social service board in 2016-~~
13 ~~for the 2017 budget may not exceed an amount determined using the 2015-~~
14 ~~departmental budget as a starting point and applying to that amount the-~~
15 ~~percentage salary and benefits increase provided by legislative appropriations for~~
16 ~~state employees for 2016.~~
- 17 ~~c. The budget must include a statement identifying the total savings to the county-~~
18 ~~as shown by a reduction in the amounts that otherwise would have been paid by~~

23 —The county share of the human service budget must be funded entirely from
24 the county's property tax levy for that purpose and the county may not use funds
25 from any other source to supplement the human services budget, with the
26 exception that the county may make use of the identifiable amount of other
27 sources the county has used to supplement its human services budget for 2015

26 ~~section 57-20-07.2 proportional to the combined total amounts that all the~~
27 ~~counties in the service area received in calendar year 2017 pursuant to section~~
28 ~~57-20-07.2.~~

29 ~~2. The director shall distribute the amount of each county's state-paid property tax relief~~
30 ~~credit replacement payment determined under subsection 1, within the limits of~~
31 ~~legislative appropriation, on or before January thirty first of each year. The amount~~

~~calculated for distribution to a county under this section must be applied to reduce a county's general fund levy in accordance with subsection 3.~~

~~3. On or before October fifteenth of each year, the tax commissioner shall notify each county of the amount calculated for distribution to the county under subsection 2. The county auditor shall calculate a county's required mill levy reduction by dividing the amount calculated for distribution to a county under subsection 2 by the county's current year taxable value. If the amount of a county's general fund mill levy is not sufficient to account for the entire required reduction, the county must reduce an additional county-wide levy to account for the remainder of the required reduction.~~

~~4. For purposes of this section, "specified state distributions" means the amount of state and federal funding a county received in fiscal year 2015 for day care licensing, family preservation programs, child abuse and neglect services, Indian county services, and county administration.~~

50-34-04. Baseline funding amounts.

1. The director shall calculate each service area's base year case-month totals and direct gross expenditures. A service area's direct gross expenditures include the actual amount expended within a service area in the base year for staffing and administrative costs related to the administration of economic assistance and social service programs as well as eligible federally allowable indirect costs. For purposes of this subsection, "eligible federally allowable indirect costs" means twenty-five percent of the average of the federally allowable indirect costs allocated to each service area in calendar years 2012, 2013, and 2014.

2. The director shall calculate each service area's base rate per economic assistance case-month by dividing the service area's economic assistance net expenditures by the economic assistance case-months reported for the service area in the base year.

~~a. For purposes of this subsection, "economic assistance net expenditures" means the amount calculated by subtracting the amount paid to the service area in the base year for services reimbursed by medical assistance from the service area's economic assistance ~~adjusted~~ base year gross expenditures.~~

~~b. For calendar year 2018 formula payment calculations, the base rate per economic assistance case-month is equal to twenty-two dollars and~~

~~seventy-eight cents. For calendar year 2019 formula payment calculations, the base rate per economic assistance case-month is equal to twenty-three dollars and ninety-two cents.~~

3. ~~The director shall calculate each service area's base rate per social service case-month by dividing the service area's social service net expenditures by the social service case-months reported for the service area in the base year.~~

~~a. For purposes of this subsection, "social service net expenditures" means the amount calculated by subtracting the amount paid to the service area in the base year for services reimbursed by medical assistance from the service area's social service ~~adjusted~~ base year gross expenditures.~~

~~b. For calendar year 2018 formula payment calculations, the base rate per social service case-month is equal to five hundred sixty-eight dollars and seventy-eight cents. For calendar year 2019 formula payment calculations, the base rate per social service case-month is equal to five hundred ninety-seven dollars and twenty-two cents.~~

~~**50-34-05. Economic assistance caseload weighting factor - Determination.**~~

~~1. The director shall assign an economic assistance caseload weighting factor of:~~

~~a. 1.00 to each service area with a yearly economic assistance case-month count of at least 250,000;~~

~~b. 1.60 to each service area with a yearly economic assistance case-month count of fewer than 250,000 but at least 45,000;~~

~~c. 1.75 to each service area with a yearly economic assistance case-month count of fewer than 45,000 but at least 22,000;~~

~~d. 2.00 to each service area with a yearly economic assistance case-month count of fewer than 22,000 but at least 8,000;~~

~~e. 2.20 to each service area with a yearly economic assistance case-month count of fewer than 8,000 but at least 5,000; and~~

~~f. 2.35 to each service area with a yearly economic assistance case-month count of fewer than 5,000.~~

1 ~~2. The weighted rate per economic assistance case-month must be determined by~~
2 ~~multiplying the weighting factor assigned to each service area under this section by~~
3 ~~the base rate per economic assistance case-month.~~

4 ~~**50-34-06. Social service caseload weighting factor - Determination.**~~

5 ~~1. The director shall assign a social service caseload weighting factor of:~~

6 ~~a. 1.00 to each service area with a yearly social service case-month count of at~~
7 ~~least 10,000;~~

8 ~~b. 1.35 to each service area with a yearly social service case-month count of fewer~~
9 ~~than 10,000 but at least 1,800;~~

10 ~~c. 1.50 to each service area with a yearly social service case-month count of fewer~~
11 ~~than 1,800 but at least 900;~~

12 ~~d. 1.60 to each service area with a yearly social service case-month count of fewer~~
13 ~~than 900 but at least 210;~~

14 ~~e. 2.00 to each service area with a yearly social service case-month count of fewer~~
15 ~~than 210 but at least 145; and~~

16 ~~f. 2.50 to each service area with a yearly social service case-month count of fewer~~
17 ~~than 145.~~

18 ~~2. The weighted rate per social service case-month must be determined by multiplying~~
19 ~~the weighting factor assigned to each service area under this section by the base rate~~
20 ~~per social service case-month.~~

21 ~~50-34-0750-34-05. Calculation of formula payment - Minimum and maximum allowable~~
22 ~~increases.~~

23 1. The director shall calculate the total formula payment by summing the following:

24 a. The product of the service area's weighted rate per economic assistance
25 case-month and the service area's most recently available economic assistance
26 caseload data.

27 b. The product of the service area's weighted rate per social service case-month
28 and the service area's most recently available social service caseload data.

29 2. The director shall adjust the total formula payment as calculated in subsection 1 for
30 minimum and maximum allowable increases as follows:

1 ~~a. For calendar year 2018 formula payment calculations, the~~ to ensure the service
2 area's formula payment must be ~~is~~ at least one hundred two percent but no more
3 than one hundred ten ~~five~~ percent of the service area's combined economic
4 assistance-adjusted base year gross expenditures and social services-adjusted
5 base year gross expenditures. However, if the case-month totals in the service
6 area's most recently available case-month data have increased by more than five-
7 percent compared to the service area's case-month totals reported in the
8 previous year for either economic assistance cases or social service cases, the
9 formula payment may exceed one hundred ten percent of the service area's
10 combined economic assistance-adjusted base year gross expenditures and
11 social services-adjusted base year gross expenditures by the amounts calculated
12 in subdivisions c and d of this subsection.

13 ~~b. For calendar year 2019 formula payment calculations, the formula payment must~~
14 ~~be at least one hundred four percent but no more than one hundred twenty-~~
15 ~~percent of the service area's combined economic assistance-adjusted base year~~
16 ~~gross expenditures and social services-adjusted base year gross expenditures.~~
17 ~~However, if the case-month totals in the service area's most recently available~~
18 ~~case-month data have increased by more than five percent compared to the~~
19 ~~service area's case-month totals reported in the previous year for either~~
20 ~~economic assistance cases or social service cases, the formula payment may~~
21 ~~exceed one hundred twenty percent of the service area's combined economic~~
22 ~~assistance-adjusted base year gross expenditures and social services-adjusted~~
23 ~~base year gross expenditures by the amounts calculated in subdivisions c and d~~
24 ~~of this subsection.~~

25 ~~c. If the economic assistance case-month totals in the service area's most recently~~
26 ~~available case-month data have increased by more than five percent compared~~
27 ~~to the service area's economic assistance case-month totals reported in the~~
28 ~~previous year, the formula payment may be increased by the amount resulting~~
29 ~~from multiplying the service area's weighted rate per economic assistance~~
30 ~~case-month by the number of economic assistance case-months that exceed one-~~

1 ~~hundred and five percent of the economic assistance case-month totals reported~~
2 ~~in the previous year.~~

3 ~~d. If the social service case-month totals in the service area's most recently~~
4 ~~available case-month data have increased by more than five percent compared~~
5 ~~to the service area's social service case-month totals reported in the previous~~
6 ~~year, the formula payment may be increased by the amount resulting from~~
7 ~~multiplying the service area's weighted rate per social service case-month by the~~
8 ~~number of social service case-months that exceed one hundred and five percent~~
9 ~~of the social service case-month totals reported in the previous year.~~

10 ~~3. The director shall adjust the total formula payment as calculated in subsection 2 for~~
11 ~~reimbursements as follows:~~

12 ~~a. The services reimbursed by medical assistance, service payments for the elderly~~
13 ~~and disabled, and expanded service payments for the elderly and disabled to the~~
14 ~~service area in the base year must be subtracted from the total formula payment~~
15 ~~as calculated in subsection 2.~~

16 ~~b. The first ten thousand dollars of services reimbursed by medical assistance,~~
17 ~~service payments for the elderly and disabled, and expanded service payments~~
18 ~~for the elderly and disabled to the service area, based on the most recently~~
19 ~~reported reimbursement data, must be added to the total formula payment as~~
20 ~~calculated in subdivision a of this subsection.~~

21 ~~c. Twenty five percent of the remaining amount of services reimbursed by medical~~
22 ~~assistance, service payments for the elderly and disabled, and expanded service~~
23 ~~payments for the elderly and disabled to the service area must be added to the~~
24 ~~total formula payment as calculated in subdivision b of this subsection.~~

25 **50-34-0850-34-06. Service area human services fund - Establishment - Fund balance**
26 **limitations.**

27 Each service area in this state shall maintain a fund to be known as the service area human
28 services fund. All expenditures by the service area for the relief of the needy must be paid from
29 the service area human services fund. If, due to unforeseen or other extenuating
30 circumstances, a service area's formula distribution payment is not sufficient to meet the
31 expenses of that service area, the board of county commissioners may approve a transfer from

1 the county's general fund to the service area human services fund upon a majority vote of all
2 members. The balance of moneys in the fund on January first of each year may not exceed
3 thirty-five percent of the annual budget for the service area in the previous year or one hundred
4 thousand dollars, whichever is greater.

5 **50-34-0950-34-07. Service area human services fund - Transfer.**

6 If on January 1, 2018, the balance of a service area human services fund exceeds the
7 limitations in section ~~50-34-0850-34-06~~, the county treasurer shall transfer the amount
8 exceeding the limitations in section ~~50-34-0850-34-06~~ to the designated county general fund
9 within that service area. A county receiving a transfer shall reduce its county general fund mill
10 levy for taxable year 2018 by an equivalent amount. If the amount of a county's general fund
11 mill levy is not sufficient to account for the entire required reduction, the county shall reduce an
12 additional county-wide mill levy for taxable year 2018 to account for the remainder of the
13 required reduction. If on January 1, 2019, ~~and on January first of each year thereafter~~, the
14 balance of a service area human services fund exceeds the limitations in section
15 ~~50-34-0850-34-06~~, the director shall reduce the service area's formula payment as directed in
16 subsection 4 of section ~~50-34-0250-34-03~~.

17 ~~**50-34-10. Service area consolidations - Caseload weighting factor adjustments -**~~
18 ~~**Transition.**~~

- 19 ~~1. The director shall create and assign a separate caseload weighting factor to any group~~
20 ~~of service areas that consolidate after December 31, 2017, for the purpose of~~
21 ~~administering economic assistance and social service programs.~~
- 22 ~~2. For purposes of this section, a "consolidated service area" means two or more service~~
23 ~~areas that combine for the purpose of administering economic assistance and social~~
24 ~~service programs and operate under a single board and a single director and make~~
25 ~~payments from a merged annual budget and one pool of funds. Consolidations under~~
26 ~~this section are subject to the procedures provided for multicounty social service~~
27 ~~districts under chapter 50-01.1.~~
- 28 ~~3. For the first taxable year following the consolidation, the director shall calculate a~~
29 ~~combined weighting factor to allow the consolidated service area to receive a weighted~~
30 ~~rate equivalent to that which each separate service area would have received had the~~
31 ~~consolidation not taken place.~~

1 ~~4. For the second taxable year following the consolidation, the director shall calculate a~~
2 ~~combined weighting factor to allow the consolidated service area to receive a weighted~~
3 ~~rate equal to ninety percent of the difference between the weighting factor calculated~~
4 ~~in subsection 3 and the weighted rate that would otherwise be applicable to the~~
5 ~~consolidated service area based on the combined caseloads.~~

6 ~~5. For the third taxable year following the consolidation, the director shall calculate a~~
7 ~~combined weighting factor to allow the consolidated service area to receive a payment~~
8 ~~rate equal to eighty percent of the difference between the factor calculated in~~
9 ~~subsection 3 and the weighted rate that would otherwise be applicable to the~~
10 ~~consolidated service area based on the combined caseloads.~~

11 ~~6. For the fourth taxable year following the consolidation, the director shall calculate a~~
12 ~~combined weighting factor to allow the consolidated service area to receive a weighted~~
13 ~~rate equal to seventy percent of the difference between the factor calculated in~~
14 ~~subsection 3 and the rate that would otherwise be applicable to the consolidated~~
15 ~~service area based on the combined caseloads.~~

16 ~~7. For the fifth taxable year following the consolidation, the director shall calculate a~~
17 ~~combined weighting factor to allow the consolidated service area to receive a weighted~~
18 ~~rate equal to sixty percent of the difference between the factor calculated in~~
19 ~~subsection 3 and the weighted rate that would otherwise be applicable to the~~
20 ~~consolidated service area based on the combined caseloads.~~

21 ~~8. For the sixth taxable year following the consolidation and all future taxable years in~~
22 ~~which the consolidation continues, the director shall calculate a combined weighting~~
23 ~~factor to allow the consolidated service area to receive a weighted rate equal to fifty~~
24 ~~percent of the difference between the factor calculated in subsection 3 and the~~
25 ~~weighted rate that would otherwise be applicable to the consolidated service area~~
26 ~~based on the combined caseloads.~~

27 **50-34-1150-34-08. Authority to withhold funding.**

28 Notwithstanding subsection 2 of section 50-01.2-06, if a service area fails to perform duties
29 directed or assigned and supervised by the department of human services, the department of
30 human services may withhold funding from the service area. The amount withheld may not
31 exceed double the actual cost of the duty that was not performed, the per activity amount from

1 the formula, the cost to the department of human services, or the amount of a federal penalty
2 imposed as a result of the duty that was not performed.

3 **SECTION 9. AMENDMENT.** Subsection 3 of section 57-15-01.1 of the North Dakota

7 governing body of the taxing district. Before determining the levy limitation under this
8 section, the dollar amount levied in the base year must be:
- 9 a. Reduced by an amount equal to the sum determined by application of the base
10 year's calculated mill rate for that taxing district to the final base year taxable
11 valuation of any taxable property and property exempt by local discretion or
12 charitable status which is not included in the taxing district for the budget year but
13 was included in the taxing district for the base year.
 - 14 b. Increased by an amount equal to the sum determined by the application of the
15 base year's calculated mill rate for that taxing district to the final budget year
16 taxable valuation of any taxable property or property exempt by local discretion or

18 but which is included in the taxing district for the budget year.
 - 19 c. Reduced to reflect expired temporary mill levy increases authorized by the
20 electors of the taxing district. For purposes of this subdivision, an expired
21 temporary mill levy increase does not include a school district general fund mill

 - 24 d. ~~If the base year is a taxable year before 2013, reduced~~Reduced by the amount of
