SECTION 67. AMENDMENT. Section 61-28-03 of the North Dakota Century Code is amended and reenacted as follows:

61-28-03. State water pollution prevention agency - ~~Board~~Council.

1. ~~The state water pollution control board consists of thirteen persons. The board must include the state health officer, state engineer, director of the game and fish department, state geologist, and nine other members appointed by the governor, three of whom must be representatives of production agriculture, two of whom must be representatives of manufacturing and processing, one of whom must be a representative of the solid fuels industry, one of whom must be a representative of the fluid and gas fuels industry, one of whom must be a representative of the environmental sciences, and one of whom must be a representative of county or municipal government.~~
2. ~~Of the nine members appointed by the governor, each shall serve six year terms. The governor may fill any vacancy in the appointed membership of the board, and may remove any appointed member for cause.~~
3. ~~The board shall select its own chairman from among its members. The heads of departments on the board may, by official order filed with the executive secretary of the board, designate a representative of the person's department to perform the duties of the member making the designation. That person, if any, shall have the powers and be subject to the duties and responsibilities of the appointing office.~~
4. ~~All members of the board shall serve without compensation for their duties, but must be reimbursed for necessary travel and other expenses incurred in the performance of their official duties. Reimbursement must be paid out of funds allocated to the department for water pollution control.~~
5. ~~The department shall provide the board~~council ~~with copies of maps, plans, documents, studies, surveys, and all other necessary information in order that the board~~so the council ~~may be fully cognizant of the current status of water pollution and its control in the state and to enable the board to advise the department in development of programs for the prevention and control of pollution of waters in the state.~~
6. ~~The board shall hold at least one regular meeting each year, and any additional meetings the chairman deems necessary, at a time and place to be determined by the chairman. Upon written request of any three members, the chairman shall call a special meeting. Seven members constitute a quorum.~~

- 7-2. The ~~board~~council shall consider and make recommendations regarding any rules and standards relating to water quality or pollution, ground water protection, and safe drinking of water that are adopted by the department. The department may not take final action on any rules or standards without consulting the ~~board~~council. The ~~board~~council shall consider any other matters related to the purposes of this chapter and may make recommendations on its own initiative to the department concerning the administration of this chapter.

SECTION 68. AMENDMENT. Section 61-28-05 of the North Dakota Century Code is amended and reenacted as follows:

61-28-05. Rules and standards.

The department may adopt rules and, jointly with the ~~board~~council, shall hold public hearings regarding the adoption, amendment, or repeal of rules and standards of quality of the waters of the state as provided in this chapter.
