8           ten percent or less of the votes cast by the voters for the candidate receiving the  
9           most votes for the office or political party's nomination of a candidate for the  
10           office, except in the case of a primary election in which enough votes were cast  
11           as write-in votes to qualify a name for the general election ballot; and
  - 12           e. The number of write-in votes for a candidate receiving fewer than three write-in  
13           votes unless the number of votes received qualifies the candidate to be  
14           nominated or elected.
- 15        2. A write-in vote for a candidate whose name is printed on the ballot will be tallied as a  
16        vote for the candidate if the voter has not voted for more candidates than allowed for  
17        the contest or voted for the same candidate more than once in that contest.
  - 18        3. A write-in vote that does not need to be canvassed individually based on the

26        wrapper for the ballots. All ballots without write-in votes shall be wrapped in a similar  
27        manner. The ballots and wrappers must then be tightly secured at the outer end to  
28        completely envelop and hold the ballots together. Ballots that are void must be  
29        secured in a separate wrapper and must be marked "void". Ballots that are spoiled  
30        must be separately secured and marked "spoiled". In sealing ballots, the various  
31        classes of ballots must be kept separate. Each wrapper must be endorsed with the

2 wrappers must be sealed securely in a manner prescribed by the county auditor so the  
3 wrappers cannot be opened without an obvious and permanent breaking of the seal.  
4 The ballots, together with those found void or spoiled, and the opened envelopes from  
5 voted absentee ballots and the unopened envelopes of absentee ballots rejected as  
6 defective, must be returned in person to the county recorder. At the meeting of the  
7 county canvassing board, the county recorder shall deliver the ballots containing lawful

11 ~~deliver each ballot that may contain a write-in vote referenced in a demand made~~  
12 ~~under subsection 1 of section 16.1-12-02.2.~~ Ballots used with any electronic voting  
13 system or counted by an electronic counting machine must be sealed and returned as  
14 provided in this section.
