¹ Salaries and wages funding is adjusted for 2021-23 biennium salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100 and 2 percent on July 1, 2022, the same as provided by the House; however, the amount for salary increases is reduced compared to the House version due to the Conference Committee approving Job Service North Dakota to participate in the information technology (IT) unification initiative. The Senate provided salary adjustments of 2 percent with a minimum monthly increase of \$80 and a maximum monthly increase of \$300 on July 1, 2021, and 2 percent on July 1, 2022.

² Funding of \$10,924 is removed to reflect the change in salary increases for FTE positions approved to be transferred to the Information Technology Department (ITD) as part of the IT unification initiative. The Conference

Committee approved the transfer of 16 FTE positions to ITD for IT unification, the same as the Senate. The House did not approve IT unification. Of the 16 FTE positions, 5 FTE positions are unfunded.

This amendment also:

- Adds a section to amend North Dakota Century Code Section 52-06-01(4) to allow the executive director of Job Service North Dakota to suspend the unemployment benefit waiting period when federal reimbursement for benefit charges incurred are made available to Job Service North Dakota. This section is declared an emergency measure. The House also included this section.
- Adds a section to provide ITD may not charge state agencies selected to participate in the 2021-23 biennium IT unification initiative an amount in excess of the salaries and wages and related operating expenses of any FTE positions transferred to ITD during the 2021-23 biennium. Legislative intent is provided that any FTE position transferred to ITD for the 2021-23 biennium IT unification initiative be transferred to the agency employing the positions during the 2019-21 biennium, unless the 68th Legislative Assembly is presented with sufficient evidence of efficiencies gained and cost-savings realized by the state as a result of the 2021-23 biennium IT unification initiative. During the 2021-22 interim, ITD is required to report annually to the Legislative Management regarding any efficiencies gained and cost-savings realized as a result of the 2021-23 biennium IT unification initiative. This section was not included in the Senate or House versions.
