Economic diversification research fund - Economic diversification research committee - Legislative management report.

1. There is created in the state treasury the economic diversification research fund. The fund consists of all moneys deposited in the fund under section 6 of this Act. Moneys in the fund may be spent by the Bank of North Dakota pursuant to legislative appropriations to provide grants to institutions under the control of the state board of higher education for economic diversification research.
2. The economic diversification research committee consists of:
 - a. The president of the Bank of North Dakota, as chairman;
 - b. Four members with experience in research or venture capital appointed by the president of the Bank of North Dakota;
 - c. The state commissioner of higher education, or a designee; and
 - d. The president of North Dakota state university and the president of the university of North Dakota.
3. In consultation with representatives of North Dakota state university and the university of North Dakota, the committee shall award grants to institutions under the control of the state board of higher education. Up to ninety percent of the funding must be awarded to North Dakota state university and the university of North Dakota with equal amounts awarded to each institution. The remaining funding must be awarded to the other institutions under the control of the state board of higher education, as determined by the committee. The committee may not award more than fifty percent of the available funding during the first year of the biennium. The Bank of North Dakota shall distribute the grant funding as awarded by the committee.
4. The committee shall develop guidelines for the economic diversification research grants. The purpose of the grants is to stimulate economic activity across the state through innovation of new technology, concepts, and products; to promote job creation and career and wage growth; to enhance health care outcomes; to address loss of revenue and jobs in communities with economies that depend primarily on the fossil fuel industry; and to provide experiential learning opportunities for students. Research projects may be initiated by an institution under the control of the state board of higher education or by the private sector. The guidelines must include consideration for research projects with matching funds and provisions for grant oversight by an internal advisory committee and an external advisory committee.
5. The committee shall develop reporting requirements for the institutions under the control of the state board of higher education. The reporting requirements must include criteria for assessing performance outcomes related to the grants. The committee shall compile the reports and shall submit a comprehensive report annually to the legislative management.

The comprehensive report must include information on how the research efforts by each institution align with the state's priorities, how the institutions collaborate when appropriate, and how the outcomes of the research meet established performance expectations."

"SECTION 14. AMENDMENT. Section 6-09.4-05.1 of the North Dakota Century Code is amended and reenacted as follows:

6-09.4-05.1. Administrative agreements with state agencies.

The public finance authority and any state agency authorized by state or federal law to make an allocation of bonds or bonding authority or to make loans, or to issue bonds to obtain funds for the purpose of making loans, ~~to political subdivisions or grants,~~ may enter into an administrative agreement, which may authorize the public finance authority to administer the loan or bond program for the state agency. The agreement may delegate to the public finance authority the authority to make loans, or to issue bonds to obtain funds for the purpose of making loans, ~~to political subdivisions or grants.~~

SECTION 15. AMENDMENT. Subsection 6 of section 17-05-08 of the North Dakota Century Code is amended and reenacted as follows:

6. The commission may approve a resolution for the issuance of bonds as provided in this section which states in substance that this subsection is applicable to any required debt service reserve for bonds issued under that resolution in an aggregate amount not to exceed two hundred forty million dollars plus costs of issuance, credit enhancement, and any reserve funds required by agreements with or for the benefit of holders of the evidences of indebtedness for the purposes for which the authority is created under this chapter. The amount of any refinancing, however, may not be counted toward the two hundred forty million dollar limitation to the extent the amount does not exceed the outstanding amount of the obligations being refinanced. No more than thirty percent of the total project costs or the appraised value, whichever is greater, for any single transmission facility project may be financed by bonds issued under this section which are supported by the debt service reserve fund approved by the commission under this subsection. To ensure the maintenance of the required debt service reserve fund approved by the commission under this subsection, the legislative assembly shall appropriate and pay to the authority for deposit in the reserve fund any sum, certified by the commission as necessary to restore the reserve fund to an amount equal to the required debt service reserve fund approved by the commission.

SECTION 16. AMENDMENT. Subsection 1 of section 38-22-14 of the North Dakota Century Code is amended and reenacted as follows:

1. Storage operators shall pay the commission a fee on each ton of carbon dioxide injected for storage. The fee must be in the amount set by commission rule. The amount must be based on the contribution of the storage facility and the source of the carbon dioxide to the energy and agriculture production economy of North Dakota and the commission's anticipated expenses that it will incur in regulating storage facilities during their construction, operational, and preclosure phases.

SECTION 17. AMENDMENT. Subsection 1 of section 38-22-15 of the North Dakota Century Code is amended and reenacted as follows:

1. Storage operators shall pay the commission a fee on each ton of carbon dioxide injected for storage. The fee must be in the amount set by commission rule. The amount must be based on the contribution of the storage facility and the source of the carbon dioxide to the energy and agriculture production economy of North Dakota and the commission's anticipated expenses associated with the long-term monitoring and management of a closed storage facility."

Notwithstanding the requirements under section 15.1-36-08 to use the moneys in the fund for loan disbursements and administrative expenses and pursuant to the continuing appropriation authority under section 15.1-36-08, \$2,500,000, or so much of the sum as may be necessary, is available from the school construction assistance revolving loan fund to the Bank of North Dakota to provide interest rate buydowns associated with loans issued under section 15.1-36-06, for the biennium beginning July 1, 2021, and ending June 30, 2023. In addition, subject to sufficient funding being available for loans to local school districts, the Bank of North Dakota may utilize funding from the school construction assistance revolving loan fund to repay a portion of the outstanding principal balance

of loans issued under section 15.1-36-06 for the purpose of transferring a portion of the loans issued under that section from the Bank of North Dakota to the school construction assistance revolving loan fund, for the biennium beginning July 1, 2021, and ending June 30, 2023."

Page 20, after line 23, insert:

"SECTION 24. STATE ENERGY RESEARCH CENTER - STUDY OF HYDROGEN. In addition to the duties under section 15-11-40, the state energy research center shall consider studying the development and implementation of hydrogen energy in the state during the biennium beginning July 1, 2021, and ending June 30, 2023. The study must include a plan for the development and implementation of hydrogen energy and must include consideration of existing resources, methods of production and delivery, and potential uses of hydrogen. The study may include estimates of the cost and timeline to develop infrastructure for hydrogen energy and the use of public and private partnerships to assist in the development of infrastructure for hydrogen energy. During the 2021-22 interim, the state energy research center shall provide at least one report to the legislative management regarding the study."

¹ Funding is adjusted to provide salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100, and 2 percent on July 1, 2022. The Senate provided salary adjustments of 2 percent on July 1, 2021, with a minimum monthly increase of \$80 and a maximum monthly increase of \$300, and 2 percent on July 1, 2022.

² Funding for salaries and wages is reduced for anticipated savings from vacant positions and employee turnover.

³ A transfer of \$14 million from the general fund to the oil and gas research fund, which was added by the Senate, is removed and replaced with a transfer of \$9.5 million from the strategic investment and improvements fund to the oil and gas research fund.

This amendment also:

- Removes authorization added by the Senate for the Public Finance Authority to issue up to \$100 million of bonds to support the long-term care facility loan fund.
- Provides a transfer of \$9.5 million from the strategic investment and improvements fund to the oil and gas research fund. The Senate provided a transfer of \$14 million from the general fund.
- Adjusts the transfer for administrative services related to salary increases to provide \$1,214,768. The Senate provided \$1,215,980.
- Clarifies the Public Finance Authority may make administrative agreements when distributing bond proceeds for loans or grants.
- Allows the Industrial Commission to issue bonds to support North Dakota Transmission Authority projects with a limit of 30 percent of the total project cost or 30 percent of the appraised value, whichever is greater.
- Clarifies the fees for the carbon dioxide storage facility fund and the carbon dioxide trust fund to reflect the impact of a storage facility and the source of carbon dioxide. The Senate did not include the clarification related to carbon dioxide storage fees.
- Retains the June 30, 2023, expiration date on the State Energy Research Center by removing sections added by the Senate, which removed the expiration date.
- Removes an increase of \$6 million related to oil and gas tax revenue allocations to the oil and gas research fund and maintains the current level of \$10 million of oil allocations per biennium. The senate increased the allocations to the oil and gas research fund by \$6 million, from \$10 million to \$16 million.

- Provides for the State Energy Research Center to conduct a study of hydrogen during the 2021-23 biennium. The Senate did not include this study.

¹ Funding is adjusted to provide salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100, and 2 percent on July 1, 2022. The Senate provided salary adjustments of 2 percent on July 1, 2021, with a minimum monthly increase of \$80 and a maximum monthly increase of \$300, and 2 percent on July 1, 2022.

² Federal coronavirus relief funding of \$8.1 million is appropriated for law enforcement officer salaries for the period beginning July 1, 2021, and ending December 31, 2021. Funding for salaries is reduced from the general fund (\$6,966,000) and highway tax distribution fund (\$1,134,000). Funding of \$8.1 million from the federal Coronavirus Relief Fund is also appropriated in Section 3 of the bill for law enforcement officer salaries for the period beginning January 1, 2021, and ending June 30, 2021, resulting in additional general fund unspent appropriations (turnback) of \$6,966,000 and highway tax distribution fund unspent appropriations of \$1,134,000.

³ Salary equity funding is adjusted to provide total funding of \$872,093. The Senate provided equity funding of \$766,000. A section is also added to provide the equity funding, along with any agency budget savings, may be used to provide total equity adjustments for the biennium of \$1,125,000, to provide on-call pay, and to provide location incentive pay.

⁴ Ongoing funding from federal funds (\$110,500) and the motor carrier electronic permit transaction fund (\$19,500) is added for costs to participate in the Commercial Vehicle Information Exchange Window motor carrier system. One-time funding of \$275,000 of federal funding is also added to implement the program.

⁵ One-time funding from the strategic investment and improvements fund added by the Senate for the Law Enforcement Training Academy project is removed.

⁶ Funding for hard body armor and body and in-car cameras is adjusted as follows:

	Senate			House
	General Fund	Highway Tax Distribution Fund	Total	Motor Carrier Electronic Permit Fund
Hard body armor	\$228,000	\$37,000	\$265,000	\$265,000
Cameras	1,158,000		1,158,000	1,158,000
Total	\$1,386,000	\$37,000	\$1,423,000	\$1,423,000

This amendment also:

- Adjusts sections identifying the amount of funding appropriated from the highway tax distribution fund and motor carrier electronic permit transaction fund.
- Removes a section identifying funding to be used from the strategic investment and improvements fund for the Law Enforcement Training Academy project.
- Adds a section to authorize the carryover of \$50,530 of unused 2019-21 biennium appropriations into the 2021-23 biennium. This will reduce Highway Patrol turnback

by an estimated \$50,530.

¹ Funding is adjusted to provide salary increases of 1.5 percent on July 1, 2021, with a minimum monthly increase of \$100, and 2 percent on July 1, 2022. The House provided salary adjustments of 1.5 percent on July 1, 2021, and July 1, 2022, with a minimum monthly increase of \$100 and a maximum monthly increase of \$250.

² Funding for capital assets is increased by \$10 million from the resources trust fund to provide a total of \$148,467,437. The House provided \$138,467,437.

³ Funding of \$29 million is added from the resources trust fund for water supply grants to provide a total of \$125 million. The House provided \$96 million.

⁴ Funding of \$19 million is added from the resources trust fund for rural water supply grants to provide a total of \$59.6 million. The House provided \$40.6 million.

⁵ Funding of \$10 million is added from the resources trust fund to provide a total of \$48 million for flood control grants. The House provided \$38 million.

⁶ Funding available from a Bank of North Dakota line of credit is reduced by \$25 million, from

\$75 million to \$50 million. A section is added amending North Dakota Century Code Section 61-02-79 reducing the Bank of North Dakota line of credit from \$75 million to \$50 million and, specifically identifying the line of credit as being available for costs associated with the Northwest Area Water Supply Project for the 2021-23 biennium. The House provided a \$75 million line of credit with no restrictions on the use of the funds.

⁷ A section is added to provide one-time funding of \$6 million from the resources trust fund for providing discretionary water project funding to the State Water Commission. The State Water Commission may allocate the funding based on the needs of the state. The House did not include this section.

The Senate stood adjourned pursuant to Senator Klein's motion.

Shanda Morgan, Secretary
