7 and enacted as follows:

10 department regarding the implementation, planning, and design of the cross-disability
11 children's waiver, level of care reform for the comprehensive developmental disabilities
12 Medicaid home and community-based waiver, and a service option that will allow
13 payment to a legally responsible individual who provides extraordinary care to an
14 eligible individual through the Medicaid 1915(c) waivers. This subsection does not
15 apply to the Medicaid 1915(c) home and community-based services aged and

2 community-based services. The remaining members of the council must be appointed
3 based on their professional subject matter expertise in or knowledge of the needs and
4 interests of individuals with disabilities. The council's membership must represent
5 different regions of the state and a broad range of disabilities that pertain to the
