22           increase by one percent of the monthly salary or wage of a participating member  
23           beginning with the monthly reporting period of January 2012; with an additional  
24           increase of one percent, beginning with the reporting period of January 2013; and with  
25           an additional increase of one percent, beginning with the monthly reporting period of  
26           January 2014. For a participating member who first enrolls after December 31, 2019,  
27           the governmental unit shall contribute an additional amount equal to one and fourteen-  
28           hundredths percent of the monthly salary or wage of the participating member on a  
29           level percent of compensation basis for all main system defined benefit retirement plan  
30           employees and all defined contribution retirement plan employees sufficient under the  
31           actuarial valuation to meet both the normal cost plus the actuarially determined

1           amount required to amortize the unfunded accrued liability of the main plan over a  
2           closed period of two hundred forty-six months, beginning January 1, 2025, and  
3           continuing through June 30, 2045. By November fifteenth of each even-numbered  
4           year the board shall publish the contribution rate required under this subsection. The  
5           board shall calculate this rate based on the July first actuarial report of that year.

6           2. For those members who elect to exercise their rights under section 54-52-17.14, the  
7           employing governmental unit, or in the case of a member not presently under covered

20          payment became due. In lieu of assessing a civil penalty or one percent per month, or  
21          both, interest at the actuarial rate of return may be assessed for each month the  
22          contributions are delinquent. If contributions are paid within ninety days of the date the  
23          contributions became due, penalty and interest to be paid on delinquent contributions  
24          may be waived.

25          3. An employer is required to submit contributions for any past eligible employee who  
26          was employed after July 1, 1977, for which contributions were not made if the  
27          employee would have been eligible to become vested had the employee participated  
28          and if the employee elects to join the public employees retirement system. Employer  
29          contributions may not be assessed for eligible service that an employee has waived  
30          pursuant to subsection 1 of section 54-52-05.

1           4.   ~~The~~Annually, the board shall report to each session of the legislative assembly the

4 amended and reenacted as follows:

5           **54-52.6-02. Election.**

6           1. The board shall provide an opportunity for each eligible employee who is a member of  
7           the public employees retirement system on September 30, 2001, and who has not  
8           made a written election under this section to transfer to the defined contribution  
9           retirement plan before October 1, 2001, to elect in writing to terminate membership in  
10          the public employees retirement system and elect to become a participating member  
11          under this chapter. Except as provided in section 54-52.6-03, an election made by an  
12          eligible employee under this section is irrevocable. The board shall accept written  
13          elections under this section from eligible employees during the period beginning on  
14          July 1, 1999, and ending 12:01 a.m. December 14, 2001. An eligible employee who  
15          does not make a written election or who does not file the election during the period  
16          specified in this section continues to be a member of the public employees retirement  
17          system. An eligible employee who makes and files a written election under this section  
18          ceases to be a member of the public employees retirement system effective twelve  
19          midnight December 31, 2001; becomes a participating member in the defined  
20          contribution retirement plan under this chapter effective 12:01 a.m. January 1, 2002;  
21          and waives all of that person's rights to a pension, annuity, retirement allowance,  
22          insurance benefit, or any other benefit under the public employees retirement system  
23          effective December 31, 2001. This section does not affect ~~a person's~~ an individual's  
24          right to health benefits or retiree health benefits under chapter 54-52.1. An eligible  
25          employee who is first employed and entered upon the payroll of that person's  
26          employer after September 30, 2001, and before January 1, 2025, may make an  
27          election to participate in the defined contribution retirement plan established under this  
28          chapter at any time during the first six months after the date of employment. If the  
29          board, in its sole discretion, determines that the employee was not adequately notified  
30          of the employee's option to participate in the defined contribution retirement plan, the

1 board may provide the employee a reasonable time within which to make that election,  
2 which may extend beyond the original six-month decision window.

- 3 2. If an individual who is a deferred member of the public employees retirement system  
4 on September 30, 2001, is re-employed before January 1, 2025, and by virtue of that  
5 employment is again eligible for membership in the public employees retirement  
6 system under chapter 54-52, the individual may elect in writing to remain a member of  
7 the public employees retirement system or if eligible to participate in the defined  
8 contribution retirement plan established under this chapter to terminate membership in  
9 the public employees retirement system and become a participating member in the  
10 defined contribution retirement plan established under this chapter. An election made  
11 by a deferred member under this section is irrevocable. The board shall accept written  
12 elections under this section from a deferred member during the period beginning on  
13 the date of the individual's re-employment and ending upon the expiration of six  
14 months after the date of that re-employment. If the board, in its sole discretion,  
15 determines that the employee was not adequately notified of the employee's option to  
16 participate in the defined contribution retirement plan, the board may provide the  
17 employee a reasonable time within which to make that election, which may extend  
18 beyond the original six-month decision window. A deferred member who makes and  
19 files a written election to remain a member of the public employees retirement system  
20 retains all rights and is subject to all conditions as a member of that retirement system.  
21 A deferred member who does not make a written election or who does not file the  
22 election during the period specified in this section continues to be a member of the  
23 public employees retirement system. A deferred member who makes and files a  
24 written election to terminate membership in the public employees retirement system  
25 ceases to be a member of the public employees retirement system effective on the  
26 last day of the payroll period that includes the date of the election; becomes a  
27 participating member in the defined contribution retirement plan under this chapter  
28 effective the first day of the payroll immediately following the date of the election; and  
29 waives all of that person's rights to a pension, an annuity, a retirement allowance,  
30 insurance benefit, or any other benefit under the public employees retirement system  
31 effective the last day of the payroll that includes the date of the election. This section

1 does not affect any right to health benefits or retiree health benefits to which the  
2 deferred member may otherwise be entitled.

3 3. An eligible employee who elects under this section to participate in the retirement plan  
4 established under this chapter must remain a participant even if that employee returns  
5 to the classified service or becomes employed by a political subdivision that  
6 participates in the public employees retirement system. The contribution amount must  
7 be as provided in this chapter, regardless of the position in which the employee is  
8 employed. Notwithstanding the irrevocability provisions of this chapter, if a member  
9 who elects to participate in the retirement plan established under this chapter  
10 becomes a supreme or district court judge, becomes a member of the highway patrol,  
11 becomes employed in a position subject to teachers' fund for retirement membership,  
12 or becomes an employee of the board of higher education or state institution under the  
13 jurisdiction of the board of higher education who is eligible to participate in an  
14 alternative retirement program established under subsection 6 of section 15-10-17, the  
15 member's status as a member of the defined contribution retirement plan is  
16 suspended, and the member becomes a new member of the retirement plan for which  
17 that member's new position is eligible. The member's account balance remains in the  
18 defined contribution retirement plan, but no new contributions may be made to that  
19 account. The member's service credit and salary history that were forfeited as a result  
20 of the member's transfer to the defined contribution retirement plan remain forfeited,  
21 and service credit accumulation in the new retirement plan begins from the first day of  
22 employment in the new position. If the member later returns to employment that is  
23 eligible for the defined contribution retirement plan, the member's suspension must be  
24 terminated, the member again becomes a member of the defined contribution  
25 retirement plan, and the member's account resumes accepting contributions. At the  
26 member's option, and pursuant to rules adopted by the board, the member may  
27 transfer any available balance as determined by the provisions of the alternate  
28 retirement plan into the member's account under this chapter.

29 4. After consultation with its actuary, the board shall determine the method by which a  
30 participating member or deferred member may make a written election under this  
31 section. If the participating member or deferred member is married at the time of the

1 election, the election is not effective unless the election is signed by the individual's  
2 spouse. However, the board may waive this requirement if the spouse's signature  
3 cannot be obtained because of extenuating circumstances.

4 5. If the board receives notification from the internal revenue service that this section or  
5 any portion of this section will cause the public employees retirement system or the  
6 retirement plan established under this chapter to be disqualified for tax purposes  
7 under the Internal Revenue Code, then the portion that will cause the disqualification  
8 does not apply.

9 6. A participating member under this section who becomes a temporary employee may  
10 still participate in the defined contribution retirement plan upon filing an election with  
11 the board within one hundred eighty days of transferring to temporary employee  
12 status. The participating member may not become a member of the defined benefit  
13 plan as a temporary employee.

14 a. The temporary employee electing to participate in the defined contribution  
15 retirement plan shall pay monthly to the fund an amount equal to eight and twelve  
16 hundredths percent times the temporary employee's present monthly salary. The  
17 amount required to be paid by a temporary employee increases by two percent  
18 times the temporary employee's present monthly salary beginning with the  
19 monthly reporting period of January 2012, and with an additional increase of two  
20 percent, beginning with the monthly reporting period of January 2013, and with  
21 an additional increase of two percent, beginning with the monthly reporting period  
22 of January 2014. The temporary employee shall also pay the required monthly  
23 contribution to the retiree health benefit fund established under section  
24 ~~54-52.1-03.2~~. This contribution must be recorded as a member contribution  
25 pursuant to section ~~54-52.1-03.2~~ into the plan as provided under section  
26 54-52.6-09.6.

27 b. An employer may not pay the temporary employee's contributions.

28 c. A temporary employee may continue to participate as a temporary employee until  
29 termination of employment or reclassification of the temporary employee as a  
30 permanent employee.

1       7. A former participating member under this section who has accepted a retirement  
2       distribution pursuant to section 54-52.6-13 and who subsequently becomes employed  
3       by an entity different from the employer with which the member was employed at the  
4       time the member retired but which does participate in any state-sponsored retirement  
5       plan may, before re-enrolling in the defined contribution retirement plan, elect to  
6       permanently waive future participation in the defined contribution retirement plan,  
7       whatever plan in which the new employing entity participates, and the retiree health  
8       program and maintain that member's retirement status. Neither the member nor the  
9       employer are required to make any future retirement contributions on behalf of that  
10      employee.

11      8. After December 31, 2024, an eligible employee is no longer allowed to elect  
12      participation under this section.

13      **SECTION 17.** Section 54-52.6-02.1 of the North Dakota Century Code is created and  
14      enacted as follows:

15      **54-52.6-02.1. Participation in defined contribution retirement plan.**

16      1. Except as otherwise provided under section 54-52-02.5 or 54-52-02.15 or this chapter,  
17      effective January 1, 2025, an eligible employee who is first enrolled shall participate in  
18      the defined contribution retirement plan under this chapter.

19      2. A temporary employee may elect to participate in the defined contribution retirement  
20      plan as provided under section 54-52.6-09.6.

21      3. A county elected official may elect to participate in the defined contribution retirement  
22      plan as provided under section 54-52-02.11.

23      4. A nonstate appointed official shall participate in the defined contribution retirement  
24      plan as provided under section 54-52-02.12.

25      **SECTION 18. AMENDMENT.** Section 54-52.6-03 of the North Dakota Century Code is  
26      amended and reenacted as follows:

27      **54-52.6-03. Transfer of accumulated fund balances.**

28      1. For an individual who elects under section 54-52.6-02 to terminate membership in the  
29      public employees retirement system under chapter 54-52, the board shall transfer a  
30      lump sum amount from the retirement fund to the participating member's account in  
31      the defined contribution retirement plan under this chapter. However, if the individual

1 terminates employment ~~prior to~~before receiving the lump sum transfer under this  
2 section, the election made under section 54-52.6-02 is ineffective and the individual  
3 remains a member of the public employees retirement system under chapter 54-52  
4 and retains all the rights and benefits provided under that chapter. The board shall  
5 calculate the amount to be transferred for persons employed before October 1, 2001,  
6 using the two following formulas, and shall transfer the greater of the two amounts  
7 obtained:

8 1-a. The actuarial present value of the individual's accumulated benefit obligation  
9 under the public employees retirement system based on the assumption that the  
10 individual will retire under the earliest applicable normal retirement age, plus  
11 interest from January 1, 2001, to the date of transfer, at the rate of one-half of  
12 one percent less than the actuarial interest assumption at the time of the election;  
13 or

14 2-b. The actual employer contribution made, less vested employer contributions made  
15 pursuant to section 54-52-11.1, plus compound interest at the rate of one-half of  
16 one percent less than the actuarial interest assumption at the time of the election  
17 plus the employee account balance.

18 2. The board shall calculate the amount to be transferred for persons employed after  
19 September 30, 2001, and before January 1, 2025, using only the formula contained in  
20 subdivision b of subsection 21.

21 **SECTION 19. AMENDMENT.** Section 54-52.6-05 of the North Dakota Century Code is  
22 amended and reenacted as follows:

25 employer and employee contributions and earnings to one or more investment choices  
26 within available categories of investment provided by the board. The board shall follow  
27 federal guidelines for establishing a qualified default investment alternative for  
28 contributions made by a participating member who fails to provide explicit investment  
29 direction. The qualified default investment alternative must include an in-plan annuity.  
30 If a participating member does not elect an investment option upon enrollment into the

- 1           defined contribution retirement plan, the board shall automatically enroll the  
2           participating member into the qualified default investment alternative option.
- 3        2. The board shall provide an investment menu of investment options. In establishing the  
4           investment options, the board shall:

11           options, either fixed, variable, or a combination of both. In selecting an annuity  
12           provider the board shall comply with section 54-52.6-05.1.

13        **SECTION 20.** Section 54-52.6-05.1 of the North Dakota Century Code is created and  
14 enacted as follows:

15        **54-52.6-05.1. Annuity provider - Qualifications.**

- 16        1. The board shall select one or more annuity providers to provide the annuity options  
17           under this chapter.
