

FINAL BILL STATUS REPORT
FIFTY-EIGHTH LEGISLATIVE ASSEMBLY

**TUESDAY, JANUARY 7, 2003
THROUGH
FRIDAY, APRIL 25, 2003**

**LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505**

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2003 Legislative Assembly.

The 58th Legislative Assembly met in regular session from Tuesday, January 7, 2003, through Friday, April 25, 2003.

This book is not a substitute for the House and Senate journals and should not be considered a legal or official source for legislative action. It is simply an aid in discovering legislative action on bills and resolutions. The information in this report describes measures at various stages of the legislative process. The titles of bills in the Action Report are of measures as voted on in the house of origin. The Century Code Sections Affected Report identifies sections as introduced. The Subject Index entries refer to the measures as introduced.

There were 1,046 bills and resolutions introduced in the 2003 Legislative Assembly and 657 passed. Out of the total 1,046 bills and resolutions, there were 924 bills, 119 concurrent resolutions, one Senate resolution, and two memorial resolutions.

There were 924 bills introduced in the 2003 Legislative Assembly, 504 in the House and 420 in the Senate. Of these, 570 bills passed: 285 House bills and 285 Senate bills. Twenty-five of the 924 introduced bills were withdrawn before being voted upon. Fifty-seven of the House concurrent resolutions and 27 of the Senate concurrent resolutions passed both houses. The Senate resolution and both memorial resolutions (one House and one Senate) passed.

Of the 570 bills presented for his consideration, the Governor signed 564 bills into law. He vetoed six bills. Two were item vetoes that did not affect the entire bill. Thus, 566 of the 570 bills will, or have, become law.

The 58th Legislative Assembly met in special session from Monday, May 5, 2003, through Wednesday, May 7, 2003. Three bills were introduced in the House and three bills were introduced in the Senate. All six bills were passed and signed by the Governor.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
