**FIFTY-NINTH LEGISLATIVE ASSEMBLY**

**TUESDAY, JANUARY 4, 2005  
THROUGH  
SATURDAY, APRIL 23, 2005**

**LEGISLATIVE COUNCIL  
STATE CAPITOL  
BISMARCK, NORTH DAKOTA 58505**

## **PREFACE**

This is the final version of the computerized Bill Status and Subject Index used during the 2005 Legislative Assembly.

The 59th Legislative Assembly met in regular session from Tuesday, January 4, 2005, through Saturday, April 23, 2005.

This book is not a substitute for the House and Senate journals and should not be considered a legal or official source for legislative action. It is simply an aid in discovering legislative action on bills and resolutions. The information in this report describes measures at various stages of the legislative process. The titles of bills in the Action Report are of measures as voted on in the house of origin. The Century Code Sections Affected Report identifies sections as introduced. The Subject Index entries refer to the measures as introduced.

There were 1,046 bills and resolutions introduced in the 2005 Legislative Assembly and 691 passed. Out of the total 1,046 bills and resolutions, there were 944 bills, 100 concurrent resolutions, and two memorial resolutions.

There were 944 bills introduced in the 2005 Legislative Assembly, 531 in the House and 413 in the Senate. Of these, 615 bills passed: 333 House bills and 282 Senate bills. Twenty-one of the 944 introduced bills were withdrawn before being voted upon. Forty-two of the House concurrent resolutions and 32 of the Senate concurrent resolutions passed both houses. Both memorial resolutions (one House and one Senate) passed.

Of the 615 bills presented for his consideration, the Governor signed 609 bills into law. He vetoed six bills. Three were item vetoes that did not affect the entire bill. Thus, 612 of the 615 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
