

SCHOOL DISTRICT ELECTION SCHEDULES AND COMBINATION OF ELECTIONS

Each school district is required to hold an annual election between April 1 and June 30 under North Dakota Century Code Section 15.1-09-22. If the annual election is held in conjunction with a regular city election, the school board may agree with the governing body of the city to share election costs and responsibilities. If a school district election is held in conjunction with a primary election, the school board may agree with the county or counties in which the district is located to share election costs and responsibilities under Section 15.1-09-24.

Biennial city elections must be held on the second Tuesday in June of each even-numbered year under Section 40-21-02. Counties are required to conduct the statewide primary election on the second Tuesday in June of every general election year under Section 16.1-11-01. County officers must be elected at the general election in each even-numbered year under Section 11-10-02.

A school district special election may be held at any time and for any lawful purpose under Section 15.1-09-23.
