

FINAL BILL STATUS REPORT
SIXTY-THIRD LEGISLATIVE ASSEMBLY

**TUESDAY, JANUARY 8, 2013
THROUGH
SATURDAY, MAY 4, 2013**

**LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505**

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2013 legislative session.

The 63rd Legislative Assembly met in regular session from Tuesday, January 8, 2013, through Saturday, May 4, 2013.

This book is not a substitute for the House and Senate journals and should not be considered a legal or official source for legislative action. It is simply an aid in discovering legislative action on bills and resolutions. The information in this report describes measures at various stages of the legislative process. The titles of bills in the Action Report are of measures as voted on in the house of origin. The Century Code Sections Affected Report identifies sections as introduced. The Subject Index entries refer to the measures as introduced.

There were 918 bills and resolutions introduced during the 2013 legislative session and 550 passed both chambers. Out of the total 918 bills and resolutions, there were 842 bills, 74 concurrent resolutions, and 2 memorial resolutions.

Of the 842 bills introduced, there were 467 introduced in the House and 375 introduced in the Senate. Of these, 505 bills passed: 272 House bills and 233 Senate bills. Twenty-four of the House concurrent resolutions and 17 of the Senate concurrent resolutions passed both houses. Both memorial resolutions (one House and 1 Senate) passed.

Of the 505 bills presented for his consideration, the Governor signed 503 bills into law. He vetoed three bills. One veto was an item veto that did not affect the entire bill. Thus, 503 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
