## PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2017 legislative session.

The 65<sup>th</sup> Legislative Assembly met in regular session from Tuesday, January 3, 2017, through Thursday, April 27, 2017.

The titles of bills in this report are from bills as voted on in the house of origin. The Century Code Sections Affected Report identifies sections contained in bills as introduced. The Subject Index entries refer to the measures as introduced but entries are updated as bills passed in the house of origin.

There were 833 bills and resolutions introduced during the 2017 legislative session and 469 passed both chambers. Out of the total 833 bills and resolutions, there were 779 bills, 54 concurrent resolutions, and 2 memorial resolutions.

Of 833 bills introduced, there were 435 House bills and 344 Senate bills. There were 443 bills passed, 232 House bills and 211 Senate bills. There were 20 House concurrent resolutions and 6 Senate concurrent resolutions passed by both houses. Both memorial resolutions (1 House and 1 Senate) passed.

Of the 443 bills presented to the Governor, 439 bills were signed into law. The Governor vetoed four bills and made nine line item vetoes that did not affect the entire bill. Thus, 439 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
